Suitability

Unless the following confirmation is specified, any request for investing in an investment choice that carries a risk level higher than your risk tolerance will not be accepted.

- ☒ Despite the fact that the investment choice(s) that I intend to invest in may not be suitable for me based on my disclosed current needs and risk profile, etc. as indicated in my financial needs analysis and risk profile questionnaire, I confirm that it is my intention and desire to proceed with my request herein. I understand that I may be exposed to higher risks and subject to greater investment loss.

Declaration

I hereby declare and confirm as follows:

I understand you may not be able to process my instructions for investment choice change if the investment choice(s) selected by me herein do not match my risk appetite indicated in my latest risk profile questionnaire. I understand and agree that you will not be liable for any loss which I may suffer as a result of such delay.

The submitted switch or redirection request will be verified and may be rejected if closed investment choices are selected. We will notify you with our confirmation.

Important notes:

Your investment in the investment choices by way of switching-in, redirection of regular premium and top-up premium shall match your risk appetite indicated in your latest risk profile questionnaire.

If your investment in the investment choices by way of switching-in, redirection of regular premium and top-up premium does not match with your risk appetite, you may be exposed to higher risks and subject to greater investment loss.

Please read the information of the investment choices as set out in the relevant investment choice brochure and principal brochure, as the case maybe, before you submit this request for investment choice change.
